The diagram shows a grey rectangular area labeled "BMC". To its right is a small white rectangle labeled "BMC status LED". A green box with a diagonal line through it is positioned below the "BMC status LED" label, indicating that the LED is not present or is disabled.

A map of the INSA Direction area in Lyon. The map shows the INSA building (a large white rectangle) and the surrounding streets. A blue line indicates the INSA Direction route. A black box with the text "INSA Direction" is overlaid on the map.
